

So as you can see this beautiful poster prepared by a beautiful artist our school are selling plants to earn money and donate them to an under privileged school in our neighborhood !

PLANT SELLING OVER HERE!!!

By Akash

The Plant that I am growing.

- I am growing 1000 Zinnia Plants.
- If Each zinnia plant is 70 I need Rs.70000 To buy them and grow them.
-

The process and planning

- I have to start before 2 weeks because it takes 2 weeks to grow.
- It'll take about 2 weeks to grow & when it finishes growing I sell one zinnia plant for Rs 100.

The sales of the Plants.

- So now we wrap the plants in a mud pot and sell them.
- After selling them I have 100000 Rs

Donation

- Now we donate the money to the school and we make a huge profit in the stock market and now the school is rich.
